**Life, Love and
Learning to the Full**

Dear Parents/Carers,

Welcome back to the Summer term! I trust that everyone enjoyed the Easter break. The children have returned to school rested, fresh faced and full of the joys of spring and it's so good to see the sun shining. We have some new, exciting topics for learning this term and your child's class teacher will be sending out a curriculum newsletter with more details very soon.

During May and June there will be certain year groups sitting statutory tests. The children work really hard at school and these tests determine whether they have met age related expectations. The children will be encouraged to do their best in these Government tests and will be praised for their efforts. No pressure will be applied to them and we always place maintaining and building the children's self-esteem above any test result. Below are some more details about the assessments but if you have any questions then please speak to myself or your child's class teacher.

Best wishes,

Corrinne Smith

Statutory Tests

Year 6 (KS2)

The year 6 children have been working hard in class and in SATs club to prepare for these tests. Year 6 will be doing their SATs commencing the week of 8th May and they will take place over four days. The children will be tested in maths, reading, spelling and grammar. More information can be found on this website: <https://www.sats-papers.co.uk/2023-sats-papers/>

Year 2 (KS1)

The year 2 children will also take some SATs in a more relaxed manner during the week of 15th May. The children will be tested in maths, reading, spelling and grammar. More information can be found on this website: <https://www.sats-papers.co.uk/2023-sats-papers/>

Year 4

The year 4 children will take an online multiplication check which will take place in June. The purpose of the check is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. The check is on screen and consists of 25 times table questions not dissimilar to 'The Sound Check' on Times Table Rockstars so practising this game at home would be really useful. An information leaflet is attached to this newsletter for more information.

Year 1

The year 1 children's phonic knowledge will be screened through a short and fun test delivered one to one with their class teacher. Miss Short will carry out these checks during the week of 12th June. The children will be asked to read some words containing the sounds that they have learnt throughout their time in reception and year 1.

FUS NEWS

Dear All,

It's that time of year again where we have a few events being planned and will be looking for volunteers and donations. I know that any spare time such as evenings and appreciated very precious to us all but any help however large or small is very much appreciated.

ANTIQUES FAIR at Umberleigh Village Hall

Sunday 23rd April

We do the refreshments for the day so kitchen help needed please.

Any help on the Sat and Sun afternoons to put up and take down tables would be gratefully received.

KINGS CORONATION at School

Friday 5th May

Plans are still in the making but we are hoping to have a Community Tea Party and Fun Afternoon.

We thought it would be a really nice way to invite members of our wider community into our school and celebrate this special occasion together. Further details to follow.

The King's
CORONATION

Any questions, suggestions or offers to organise a different event are always welcome by Myself or Charlotte.

Thank you for your continued support of Friends of Umberleigh School.
