CLASS NEWS THIS WEEK

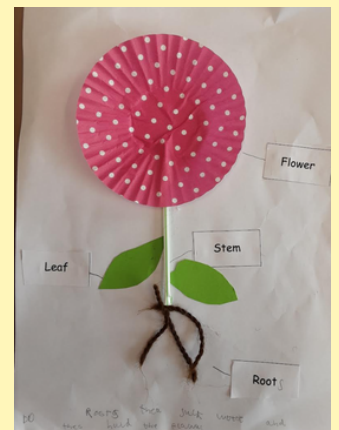

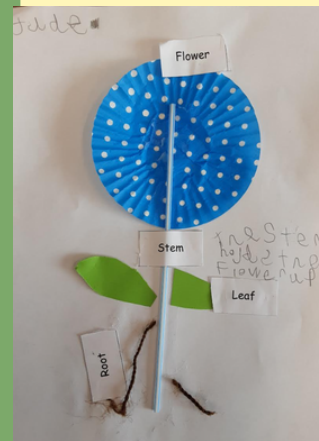

Class 1

Class 1 had a visit from Farmer May to learn all about tractors.

Class 2

This week in science, year 1 created their own flower and labelled the different parts, while year 2 drew, labelled and explained what the jobs are of the different parts of the plant. They have also been very excited to design, prepare and try their own fruit smoothie. They had lots of fun doing this and it was lovely to see them all enjoy tasting their creations!

Class 3

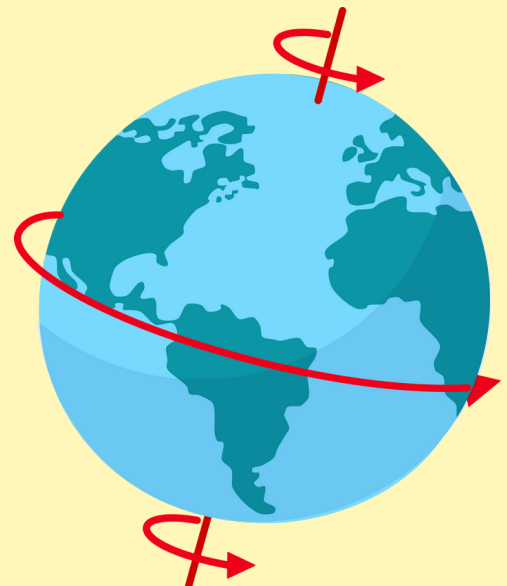

Class 3 have finished their houses this week. Learning about architects and designing and making our own houses has been great fun. We have enjoyed using some of Gaudi's features in our own designs and this week we have compared his work with other famous architects.

Class 4

Class 4 have looked at what we know about the religion of the Shang Dynasty by using primary sources of evidence. They have also been thinking about why we have night and day because of the rotation of the earth on its axis.

SPORTS FOR CHAMPIONS UK SPONSORSHIP EVENT - We are raising funds to buy resources for our new outdoor classroom

Your child/children should have brought home a sponsorship form at the end of last week in preparation for our visit on 25th April by Ottillie Robinson-Shaw, a top ranking UK freestyler kayaker. During her presentation to children across the school, Ottillie will talk to us about her journey as a top athlete and children will also take part in some exercise during the day with her. Every child (Reception to Class 4) has been provided with an official Sports for Champions UK form so that they can challenge themselves to complete these exercises for sponsorship. Please ensure that your child approaches 'safe' adults who are known to your family for sponsorship.

We have two methods of collecting sponsorship money:

1. Use the QR code on the sponsorship form to donate directly through the Crowd Funding website to Sports for Champions UK
2. Inform the school office of the total amount that your child has raised and we will set up a special link in your Parentpay account.

CHALLENGES:

Spotty Dogs, Leg Drives, Full or Half Press-Ups, Star Jumps

Each exercise will be performed for 60 seconds!

We are pleased to announce that Ottillie Robinson-Shaw will be joining us on the 25th April. She is a freestyle kayaker who will be coming in to talk to us about her journey as an athlete. All children will take part in some exercise during the day and will be seeking sponsorship. Children will be bringing home some more information and a sponsorship form this week.
