Life, Love &
Learning to

Dear Parents/Carers,

Welcome back to the Summer Term 2024!

I trust that everyone enjoyed the Easter break. The children have returned to school rested, fresh faced and full of the joys of spring and it's good to see the sun shining today – let's hope it lasts. We have some new, exciting topics for learning this term and your child's class teacher will be sending out a curriculum newsletter with more details very soon.

During May and June there will be certain year groups sitting statutory tests. The children work really hard at school and these tests determine whether they have met age related expectations. The children will be encouraged to do their best in these

Government tests and will be praised for their efforts. No pressure will be applied to them and we always place maintaining and building the children's self-esteem above any test result. Below are more details about the assessments but if you have any questions then please speak to myself or your child's class teacher.

Best wishes,

Corrinne Smith

Statutory Tests

Year 6

The year 6 children have been working hard in class and in SATs club to prepare for these tests. Year 6 will be doing their SATs commencing the week of 13th May and will take place over four days. The children will be tested in maths, reading, spelling and grammar. More information can be found on this website: <https://www.sats-papers.co.uk/2024-sats-papers/>

Year 4

The year 4 children will take an online multiplication check which will take place in June. The purpose of the check is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. The check is on screen and consists of 25 times table questions not dissimilar to 'The Sound Check' on Times Table Rockstars so practising this game at home would be really useful. An information leaflet is attached to this newsletter for more information.

Year 1

The year 1 children's phonic knowledge will be screened through a short and fun test delivered one to one with their class teacher. Mrs Westwood will carry out these checks during June. The children will be asked to read some words containing the sounds that they have learnt throughout their time in reception and year 1.
